My dear Mrs. Manley:

We are unable to locate the jackets about which we have been corresponding. The Express Company does not seem to be able to prove delivery. We have entered a claim against the Express Company in the hopes a claim of this size will cause them to make a special effort to find these jackets.

We have reserved enough material to duplicate this order in case the jackets are not located, but we do not like to proceed until we get a report back, as the Express Company will consider these to be your property if they turn up.

We would not be able to make shipment for about 4 weeks after we enter a repeat order, so in the meantime you can let us know if we are to proceed to duplicate this order as soon as the claim is honored.

We are extremely sorry for all the inconvenience connected with this order, but we did our very best to get these to you.

Very truly yours,
WILSON SPORTING GOODS CO.
